Mr. T. R. Spidel, President  
Kendallville Iron & Metal, Inc.  
Box 69  
Kendallville, Indiana

Dear Mr. Spidel:

Re: Proposed Sanitary Landfill Project  
Approval Number SW 19  
Noble County

The letter of approval dated October 2, 1970, for the above-referenced sanitary landfill project states that "This approval shall be void if operation is not begun before November 1, 1971." Copy of this letter is enclosed.

You are hereby advised that unless written notification is provided to this office within 30 days indicating that the operation was started prior to November 1, 1971, the approval granted for the above-referenced project on October 2, 1970, will be considered void.

If at some future date it is desired to operate a sanitary landfill or other refuse processing or disposal facility at this site, a proposal must first be submitted and approval granted, prior to construction of any operational features. Such proposal must contain all information required by this Board at the time of submission of the proposal.

If there are any questions, please advise.

Very truly yours,

Oral H. Hert  
Technical Secretary
